

Super Bowl Squares

Five Star Mafia – Orlando

For purposes of fundraising for our families, Five Star Orlando – Mafia will be supporting a Super Bowl Squares Fundraiser for the 2022 Super Bowl. Five Star Orlando – Mafia will facilitate the process but all monies will be directly earned by the individual athlete and team that sells the squares. Further, all families associated with Five Star Mafia – Orlando are allowed to participate in this fundraiser and funds earned can be used as they see fit.

Selling Squares

You have options for selling squares. Each family can sell a full sheet or partial sheets. Families that sell partial sheets will be added to the collective of other families that also sold partial sheets. Families that sell full sheets can choose to manage the sheet themselves or have Five Star Mafia – Orlando manage the process for them.

If I choose to sell on my own...

If you choose to sell on your own and manage your own full sheet you are set to go. Use the provided image and start selling. You will need to manage the money, winnings, distributions, etc. We only ask that you send to Five Star a summary of who purchased squares and their associated email addresses.

If I choose to sell in conjunction with Five Star....

If you do not want to sell on your own we'll take care of the administration for you. You will need to collect money from your people or have them use the Venmo account below. We need to know the name of the person that purchased the squares, an email address, a phone number, the number of squares, and be provided the cash / electronic transaction for their squares.

Everyone associated with this process will receive, prior to the game, the associated sheet with their squares. All winners will be contacted within 48 hours so we can align winnings.

Venmo Information

If you need Venmo information please have your people send a Venmo to @Thomas-Emmons-4. The last four digits of my phone number are 4201.

What do we earn?

50% of all monies collected will go directly to the athlete doing the sale. Sell a full sheet and you will earn \$500.

Questions?

Ask. Happy to talk through every aspect of this process. Thomas Emmons – thomas.emmons.01@gmail.com – 314-808-4201. Our goal is to provide everyone with a “reasonable” way to fundraise \$3,500 this year. We believe that this could cover at least \$500 per athlete.
